She

Snapcase

She walks out with empty arms, machine gun in her hand
She is good and she is bad, no one understands
She walked in and silence never spoke a word
She's got a rich daddy she's her daddy's girlHe love naked sin, he loves evil sex
She has lost control they are growing old
She will hide in silence then her day will come
She was a virgin vixen, she is on the run, she is on the run
