

# She

## Snapcase

She walks out with empty arms, machine gun in her hand  
She is good and she is bad, no one understands  
She walked in and silence never spoke a word  
She's got a rich daddy she's her daddy's girl He love naked sin, he loves evil sex  
She has lost control they are growing old  
She will hide in silence then her day will come  
She was a virgin vixen, she is on the run, she is on the run
