

Whorehoppin' (Shit, Goddam)

Eagles of Death Metal

Smell those sweet young things
Looky here, this one's got long black hair
She's like a death metal queen...
Struttin' sluts all through that whorehoppin' scene
Makes me say...

Shit, goddamn! I'm a Man? I'm a man?
Yes!
I said Shit goddamn! I'm a Man!!

Ride lightning fast for fuel
Cross the desert at the speed of sound!
I've got the night and I've got my gun
I can't lose cos I'm the Devil's favourite son
Make's me say...

We're the kids of the blazing sun!!
We've got the desert, got the sand, and our guns!
We love the whorehoppin, that ain't no lie...
You could tell by the devilish look in our eyes!!...

Goddamn! I'm a Man. I'm a Man? I said, Shit Goddamn!! I'm a man!
