

# Hollywood or Bust (From "Hollywood or Bust")

Dean Martin

Land of stardust and land of glamour  
Vistavision and cinerama  
Everyone considers it a must  
To get to Hollywood or bust  
Kids from Kansas to Pennsylvania  
Soon develop that movie mania  
Driving their jalopies through the dust  
And out to Hollywood or bust  
Underneath that moonlight in Malibu  
Lovers stroll in the dark  
Jeepers creepers ten to one sleepers are winning at Hollywood Park  
Land of burgers and land of weenies  
Bathing beauties in their bikinis  
Mingle with the lower upper crust  
You'll see your favorite dolly out and jolly  
Hollywood or bust  
(Sound the trumpets strike the cymbals)  
(Boys from Bonwit and girls from Gimbel's)  
(Shaking off that old Manhattan dust)  
(To get to Hollywood or bust)  
(Town of tinsel and town of bubbles)  
(Drive-in theaters and daily doubles)  
(Let me tell you mister it's a must)  
(To get to Hollywood or bust)  
Drugstore cowboys Hollywood Indians extras looking for jobs  
Waiting for someone to discover them down at the counter of Schwab's  
Land of burgers and land of weenies  
Bathing beauties in their bikinis  
Mingle with the lower upper crust  
You'll see your favorite dolly out and jolly  
Hollywood  
Hollywood  
Hollywood or bust
