O Little Town of Bethlehem

Plus One

O little town of Bethlehem
How still we see thee lie
Above thy deep and dreamless sleep
The silent stars go byYet in thy dark streets shineth
The everlasting Light
The hopes and fears of all the years
Are met in thee tonightFor Christ is born of Mary
And gathered all above
While mortals sleep, the angels keep
Their watch of wondering loveO morning stars together
Proclaim the Holy Birth
And praises sing to God the King
And peace to men on earthWhere children pure and happy
Pray to the Blessed Child
Where misery cries out to thee
Son of the Mother mildWhere charity stands watching
And faith holds wide the door
The dark night wakes, the glory breaks
And Christmas comes once moreHey, yeah, O Holy Child of Bethlehem
Descend to us we pray
Cast out our sin and enter in
Be born in us todayWe hear the Christmas angels
The great glad tidings tell
O come to us, abide with us
Our Lord EmmanuelO little town of Bethlehem
O little town of Bethlehem
Jesus, the Lord, oh woah
Jesus, yeah
