

# Objects in the Rear View Mirror May Appear Closer

## Meat Loaf

The skies were pure and the fields were green  
And the sun was brighter than it's ever been  
When I grew up with my best friend Kenny  
We were close as any brothers than you ever knew  
It was always summer and the future called  
We were ready for adventures and we wanted them all  
And there was so much left to dream and so much time to make it real  
But I can still recall the sting of all the  
tears when he was gone  
They said he crashed and burned  
I know I'll never learn why any boy should die so young  
We were racing, we were soldiers of fortune  
We got in trouble but we sure got around  
There are times I think I see him peeling out of the dark  
I think he's right behind me now and he's gaining ground  
Chorus:  
But it was long ago and it was far away, oh God it seems so very far  
And if life is just a highway, then the soul is just a car  
And objects in the rear view mirror may appear closer than they are  
And objects in the rear view mirror may appear closer than they are  
And objects in the rear view mirror may appear closer than they are  
And objects in the rear view mirror may appear closer than they are (Solo)  
And when the sun descended and the  
night arose  
I heard my father cursing everyone he knows  
He was dangerous and drunk and defeated  
And corroded by failure and envy and hate  
There were endless winters and the dreams would freeze  
Nowhere to hide and no leaves on the trees  
And my father's eyes were blank as he hit me again and again and again  
I know I still believe he'd never let me  
leave, I had to run away alone  
So many threats and fears, so many wasted years before my life became my own  
And though the nightmares should  
be over  
Some of the terrors are still intact  
I'll hear that ugly coarse and violent voice  
And then he grabs me from behind and then he pulls me back  
chorus (Solo)  
There was a beauty living on the edge  
of town  
And she always put the top up and the hammer down  
And she taught me everything I'll ever know  
About the mystery and the muscle of love  
The stars would glimmer and the moon would glow  
I'm in the back seat with my Julie like a Romeo  
And the signs along the highway all said, Caution! Kids At Play!  
Those were the rights of spring and we did  
everything  
There was salvation every night  
We got our dreams reborn and our upholstery torn

But everything we tried was right  
She used her body just like a bandage, she used my body just like a wound  
I'll probably never know where she disappeared  
But I can see her rising up  
out of the back seat now  
Just like an angel rising up from a tomb  
chorus  
And objects in the rear view mirror may  
appear closer than they are  
(repeats 6x)  
And objects in the rear view mirror may appear closer than they are  
(repeats 6x)  
She used her body just like a bandage, she used my body just like a wound  
I'll probably never know where she disappeared  
But I can see her rising up  
out of the back seat now
