Come & See

Protomartyr

Have you heard the bad news?
We been saved by the ...
A bag of snakes with heads of gas
...And I'll try to live the fear
Come and see the good in everythingOutside animals sound
Come and see the open endingLet it snow and ...in their minds
Count their money with broken arms
Comes as friends I am ready to keep lies
In this town, in this home
And I'll try to live the fear
Come and see the good in everything
Outside animals sound
Come and see the ...sound of heaven
And I'll try to live the fear
Come and see the good in everything
Outside, outside animals sound
Come and see
