

Beautiful People

[Cher Lloyd](#)

It's my last big breath what you want me to do?
When you act all cool like you already knew
then i'll be stuck here cold, just waiting it through
'till your heart starts beating for that somebody new
You know that it's true
Cause it's beautiful people like you, who get whatever they want
and it's beautiful people like you, who suck the life right outta my heart
and it's beautiful people like you, who make me cry
'cause nobody else could be nearly as cruel as you
It's a wicked game that you making me play (making me play)
Where I crawl back home as your walking away (hey, hey)
then it's all quiet clear what you want me to say? (what you want me to say)
But you'll be so long gone if i ask you to stay

You know that it's true
Cause it's beautiful people like you, who get whatever they want
and it's beautiful people like you, who suck the life right outta my heart
and it's beautiful people like you, who make me cry
cause nobody else could be nearly as cruel as you
It's my last big breath, what you want me to do
When you act all cool, like you already knew
Cause it's beautiful people like you, who get whatever they want
and it's beautiful people like you, who suck the life right outta my heart
and it's beautiful people like you, who make me cry
cause nobody else could be nearly as cruel as you
Nobody else could be nearly as cruel as you, as you
