

It'll Be Me

Freddie Fingers Lee

If you hear somebody knockin' on your door
If you see something crawlin' all across the floor
Baby, it'll be me

And I'll been lookin' for you

If you see a head peepin' from a crawdad hole
If you see somebody climbin' up a telephone pole

Baby, it'll be me

And I'll been lookin' for you

Gonna look on the mountain

And in the deep blue sea

Gonna search all the forests

Gonna look in every tree

If you feel somethin' heavy on your fishin' hook

If you see a funny face in your comic book

Baby, it'll be me

And I'll been lookin' for you

Oh, look a here now

Gonna look in the city

Where the lights are blue

Gonna search the countryside

And all the haystacks too

Well, if you hear a voice callin' out in the night

If you see somebody hangin' from a lamppost bright

Baby, it'll be me

And I'll been lookin' for you

Oh yeah

Gonna look on the mountain

And in the deep blue sea

Gonna search all the forests

Gonna, gonna look in every tree

Well if you see a new face on a totem pole

If you find you a lump in your sugar bowl

Baby, it'll be me

And I'll been lookin' for you

I'll be lookin' for you

And I'll be lookin' for you

I'll be lookin' for you

And I'll be lookin' for you

I'll be lookin' for you

I'll just keep looking for you

I'll be lookin' for you

I'll be lookin' for you

I'll be lookin' for you
