

Mr. Almost

Meghan Trainor

Hey, hmmTryin'a force a puzzle piece,
Not a perfect fit for me
But they told me give it time, hm
Maybe Cupid missed my chest
'Cause I keep looking left
And you ain't missed your rightYou're so sweet when we're kissing
But there's something I'm missing
Baby there's no chemistry,
Yeah, we look good on paper
You can call me a hater,
But let's talk on and see!Hey, no you ain't the perfect match for me, hey
You were so close my Mr. Almost
Hope it didn't come on as a tease, hey
You were so close my Mr. AlmostAll my girls say lock him down,
Guys like him don't come around
Go and pick your wedding rings (Say what), hmm
Yeah, my mom thinks you're legit
But I'm way too young for this
So I'mma tell you what I think, yeahYou are sweet when we're kissing
But there's something I'm missing
Baby there's no chemistry,(No no no)
Yeah, we look good on paper
You can call me a hater,
But let's talk on and see!Hey, no you ain't the perfect match for me, hey
You were so close my Mr. Almost
Hope it didn't come on as a tease, hey
You were so close my Mr. Almost
