Clones

The Epoxies

I'm a clone
I know I'm fine
I'm one of more on the way
I'm two, doctor
Three's on the line
He'll take incubation another dayI'm all alone, so are we all
We're all clones
All are one and one are all
All are one and one are allDestroy the government
We're destroying time
No more problems on the wayI'm through doctor
We don't need your kind
We are the ones
Ugly ones
Stupid boys
Wrong onesI'm all alone, so are we all
We're all clones
All are one and one are all
All are one and one are allSix is having problems
Adjusting to his clone status
Have to put him on a shelf
All day long we hear him crying so loud
I just wanna be myself
I just wanna be myself
I just wanna be myself
Be myself
Be myselfI'm a clone
I know I'm fine
I'm one of more on the way
I'm two, doctor
Three's on the line
He'll take incubation another dayI'm all alone, so are we all
We're all clones
All are one and one are all
All are one and one are allI'm all alone, so are we all
We're all clones
All are one and one are all
All are one and one are allI'm all alone, so are we all
We're all clones

All are one and one are all
All are one and one are all
