Little White Church

Little Big Town

You've been singing that same old song
Far too long, far too long
Say you'll buy me a shiny ring
But your words don't mean a thing
No more calling me baby, no more loving like crazy
'Til you take me down
(Take me down)
You better take me down
(Take me down)
Take me down to the little white church
Take me down
(Take me down)
Take me down
(Take me down)
Take me down to the little white church
Take me down
You can't ride this gravy train
Anymore anyways
There's a price for keeping me
I might be cheap but I ain't free
No more calling me baby, no more loving like crazy
'Til you take me down
(Take me down)
You better take me down
(Take me down)
Take me down to the little white church
Take me down
(Take me down)
Take me down
(Take me down)
Take me down to the little white church
Take me down, come on
Charming devil, silver tongue
Had your fun, now you're done
Mama warned me 'bout your games
She don't like you anyways
No more calling me baby, no more loving like crazy
No more chicken and gravy, ain't gonna have your baby
'Til you take me down

(Take me down)
You better take me down
(Take me down)
Take me down to the little white church
Take me down
(Take me down)
You better take me down
(Take me down)
Take me down to the little white church
Take me down to the little white church
(Take me down)
Take me down
Take me down to the little white church
Take me down
(Take me down)
You better take me down
(Take me down)
Take me down to the little white church
Take me down
(Take me down)
You better take me down
(Take me down)
Take me down to the little white church
Take me down
(Take me down)
You better take me down
(Take me down)
Take me down to the little white church
Take me down to the little white church
Take me down to the little white church
