

# Fat

## "Weird Al" Yankovic

Your butt is wide, well mine is too  
Just watch your mouth or I'll sit on you  
The word is out, better treat me right  
'Cause I'm the king of cellulite  
Ham on, ham on, ham on whole wheat, all right  
My zippers bust, my buckles break  
I'm too much man for you to take  
The pavement cracks when I fall down  
I've got more chins than Chinatown  
Well, I've never used a phone booth  
And I've never seen my toes  
When I'm goin' to the movies  
I take up seven rows  
Because I'm fat, I'm fat, come on  
(Fat, fat, really, really fat)  
You know I'm fat, I'm fat, you know it  
(Fat, fat, really, really fat)  
You know I'm fat, I'm fat, come on, you know  
(Fat, fat, really, really fat)  
Don't ya call me pudgy, portly or stout  
Just now tell me once again, whos fat?  
When I walk out to get my mail  
It measures on the Richter scale  
Down at the beach, I'm a lucky man  
I'm the only one who gets a tan  
If I have one more pie a la mode  
I'm gonna need my own ZIP code  
When you're only havin' seconds  
I'm havin' twenty thirds  
When I go to get my shoes shined  
I gotta take their word  
Because I'm fat, I'm fat, come on  
(Fat, fat, really, really fat)  
You know I'm fat, I'm fat, you know it  
(Fat, fat, really, really fat)  
You know I'm fat, I'm fat, you know it, you know  
(Fat, fat, really, really fat)  
And my shadow weighs forty-two pounds  
Lemme tell you once again, who's fat?  
If you see me comin' your way  
Better give me plenty space  
If I tell you that I'm hungry  
Then won't you feed my face  
Because I'm fat, I'm fat, come on  
(Fat, fat, really, really fat)  
You know I'm fat, I'm fat, you know it  
(Fat, fat, really, really fat)  
You know I'm fat, I'm fat, you know it, you know  
(Fat, fat, really, really fat)  
When I sit around the house

I really sit around the house You know I'm fat, I'm fat, come on  
(Fat, fat, really, really fat)  
You know I'm fat, I'm fat, you know it, you know it  
(Fat, fat, really, really fat)  
You know, you know, you know, come on  
(Fat, fat, really, really fat) And you know all by myself I'm a crowd  
Lemme tell you once again You know I'm huge, I'm fat, you know it  
(Fat, fat, really, really fat)  
You know I'm fat, you know  
(Fat, fat, really, really fat)  
You know I'm fat, I'm fat, you know it, you know  
(Fat, fat, really, really fat) And the whole world knows I'm fat and I'm proud  
Just tell me once again, who's fat
