

# I Like Girls & Boys

## Mr. Strange

I like the way you look,  
I like the way you feel,  
I like the way you move,  
And when you kneel,  
I like the way you kiss,  
I like the way you fuck,  
I like the way you are,  
You're too much,C'mon!  
If you want a little bit of strange,  
C'mon!  
Then come out and play,I like girls,  
I like boys,  
I like girls,  
I like boys,I just want your body,  
Don't want your name,  
I want some of that honey,  
Let's play a gameI think I like you,  
I like you too,  
I think I want you,  
I'm sure you do,I like a bit of sugar,  
I like a bit of spice,  
I like to mix it up, they're  
They're both quite nice,  
I like the feel of boys,  
I like the taste of girls,  
I like to make some noise,  
So rock my world,C'mon!  
It's time to come out and play,  
C'mon!  
You don't have to feel ashamed,I like girls,  
I like boys,  
I like girls,  
I like boys,I just want your body,  
Don't want your name,  
You make me feel funny, / I want some of that honey,  
Let's play a gameI think I like you,  
I like you too,  
I think I want you,  
I'm sure you do,I think the way dance is cool,

I think the way kiss are sweet,I like the girls,  
I like the boys,I think the way you fuck if cool,  
I think the way you cum is sweet,I like the girls,  
I like the boys,
