Black Sunshine (Feat. Iggy Pop

Rob Zombie

(Gripping the wheel his knuckles went white with desire The wheels of his Mustang exploding on the highway like a slug from a .45 True Death: 400 Horsepower of maximum performance piercing the night This is Black Sunshine.) Yeah! Move me in the silence Baltic motorway

Hang me on the edge before I fall away

Apocalypse is dawnin' action on the mile

A 'can-do' revolution, earth to the river [nile]

Sweet'n the ride Black Sunshine

Sweet'n the ride, yeah!

Sweet'n the ride Black Sunshine

Sweet'n the ride, yeah!

Cry a river 'cosmic', moon in Scorpio

Feel her body 'breathe', acid radio

Tell me that you like it, when I'm going down!

Tell me that you like it, move to the speed of [sound]

Sweet'n the ride Black Sunshine

Sweet'n the ride, yeah!

Sweet'n the ride Black Sunshine

Sweet'n the ride, yeah!

Go! Slide into, I said '44' cool heart can

A hypnotize dream into infinity, I turned the love to lies

Crawl across the water, wave and sink into the sea

Reflect'n onto everything, that you can never be

'Check-out!', yeah!

To the devil a daughter comes 200 worlds away, yeah

Born to lose the love you choose, destroy another day

Check out!!

Sweet'n the ride Black Sunshine

Sweet'n the ride, yeah!

Sweet'n the ride Black Sunshine

Sweet'n the ride

Stare into the T.V. kiss off the pain

Wonderland is falling, no sing, no rain momentary

Damage into the high drift me to the circuit sky(Finally nothing moves. High noon.

Black top rolling below the asphalt drive

A concrete fascination scraping the edge of nothing

This is Black Sunshine.)
