Like a Vibration

The Whigs

Like a vibration
My reputation is hanging around my neck
It's hanging out in bars
But my perception of my perception
Is my confederate corn
It won't do me no good nowThe world that calls us
It doesn't owe us
Could we just have some fun?
Could we just make some love?Like a vibration
Like a vibration
No, no, no, noSo what you need now
What do you need now?
We need to realize our minds
We need to realize we'll die
The world below us
It'll never own us
I'm dancing on your front porch
You're dancing in my back pond
