

Lord, I Wonder

Katie Webster

Lord, I wonder
How much longer
Will I have to sing the Blues

Yes, I wonder
How much longer
Will I have to sing the Blues

Now my mother, went on before me
Sing the Gospel all her life
Then my father, went on right after her
Preach the Gospel till he died

So, I wonder
How much longer
Will I have to sing the Blues

Yes, I wonder
How much longer
Will I have to sing the Blues

Muddy Waters
Jimmy Reed
Lightning Hopkins
Have to sang the Blues

B.B. King
Bobby Bluebland
All my friend they got to sang the Blues

People you know that I
