for love

Timothy Bloom

I gave it all up
Material things
Mean nothing to me
Its you in my dream
These cars and those girls
Come a dime and a dozen
Girl you rule my world
And I'm drunk off your loving
This is called a love hang over
Drowned myself in a wale I could fall in
With you there is freedom
My only reasonI did for love
La la la la la la la
I did for us
La la la la
I did for love
La la la la la la la la.....
I did for us
I did for Love!
Love love love love love.....
I did for love
I did for loveGiving myself
Pleasure for pain
I sacrifice pride for your gain
Render my feelings
Out of my willing
Beyond comprehension
Made it my mission
This is not a love hangover
Drowning my sorrows into tomorrow
Fighting for freedom
My only reasonI did for love
La la la la la la la
I did for us
La la la la
I did for love
La la la la la la la la.....
I did for us
I did for Love!

Love love love love love.....
I did for love
I did for loveI saw the sun rising through my window
When you opened your eyes to meLOVE LOVE LOVE ..... I FOUND LOVE
