

See You When You Get Here

[Lisa Mitchell](#)

"how do you feel, about being dead?"

Said one to the other.

"how do you feel, about being lonely?"

Said one to the other.

She said "darlin', darlin' it's alright."

She said "darlin', darlin' it's okay."

But I'll see you when you get there.

I'll see you when you get there.

"how do you feel, about being alive?"

Said one to the other.

"how do you feel about being lost?"

Said one to the other.

She said "darlin', darlin' it's alright."

She said "darlin', darlin' it's okay."

But I'll see you when you get there.

I'll see you when you get there.

She said "darlin', darlin' it's alright."

She said "darlin', darlin' it's okay."

She said "darlin', darlin' it's alright."

She said "darlin', darlin', darlin' it's okay."

But I'll see you when you get there.

I'll see you when you get there.
