

White Tiger (Marcus Layton Radio Edit)

Izzy Bizu

White, white tiger
High bright rollercoaster
If I am still got on these safety bars
I probably made it
Don't come for white, white oh
This hard wind hits my skin
I begin and take a breath, mmh
And all adrenalin rushes to my head
And I'm not in my comfort zone
When I wake up but not alone right now
Whoa, my head is in the clouds
You're my White, white tiger
High bright rollercoaster
If I am still got on these safety bars
I probably made it
Don't come for white, white oh What a damn
Make a stand
Drunken ways take control, oh, oh, oh
I was drowning
But you're keeping me afloat
You're my white, white
And I'm not in my comfort zone
When I wake up but not alone right now
Whoa, my head is in the clouds
You're my White, white tiger
High bright rollercoaster
If I am still got on these safety bars
I probably made it
Don't come for white
Island or dry land will take me there
Who up in my head this clear bed will take me there
You're my white, ooh, tiger
