

There's a Small Hotel

Hilary Kole

I'd like to get away, Junior
Somewhere alone with you
It could be oh, so gay, Junior
 You need a laugh
Or twoA certain place I know, Frankie
 Where funny people can have fun
 That's where the two will go,
DarlingBefore you can count up
 One, two, three.
 For there's a small hotel
With a wishing wellI wish that we were there together
 There's a bridal suite
 One room bright and neat
 Complete for us to
Share togetherLooking through the window
 You can see a distant steeple
 Not a sign of people who
 Wants people?
 When the steeple bell says,
 "Good night, sleep well,"
 We'll thank the small hotel
TogetherWe'll creep into our little shell
And we will thank the small hotel together
