

# Pool

## Porches

when it's around  
about to  
his address  
the pool  
oh how i could  
just see it now  
your body  
as it comes down  
in slow motion  
honey, slow motion  
slow motion  
honey, slow motion  
don't wake me up  
for dinner  
my body's wild  
when it is still  
now that it's still  
i'll watch you slip  
into the pool  
you're such a stiff  
in slow motion  
honey, slow motion, now  
slow motion  
honey, slow motion
