

Farther

Outspoken

Nothing much matters to me, so I don't see why
I should hold so tightly to a memory that I can't speak of
I think about it nightly, how you opened up your life for me
 Why are you still lonely?
 Though not the type who begs
 Thinkin' how you'd open up your legs
 And farther from you everyday
 Alright, yeah, farther from you everyday
 Farther alright
 And a woman's talking to herself
 Gathers up the shit she couldn't sell
 Chances don't bode well tomorrow
 And talking to myself pass by
 I miss you but not the face you make
 Like when you found me out for the fake
 I am so easily, you see through me
What do you do to me to make me treat you so bad?
 I keep hoping that you'll speak to me
 But farther from you everyday
 Yeah, oh yeah
 Farther from you everyday
 All I think about is waiting
 And all the people we are fading into
 Alright, farther from you everyday
 Oh, oh, oh, oh, there was a sound, yeah, yeah
 But I don't know how it goes, yeah, yeah
I remember all that we went through yeah, yeah
 Blew in from the coast, yeah, yeah, yeah
 You are of the earth, I am of the sky
 I don't even know what the hell that means
 Farther from you everyday
 All I think about is waiting
 And all the people we are fading into
 Farther from you everyday
And I think about you dying years from now
 Never having known who you are
 Farther from you everyday
 All I think about is waiting
 And all the people we are fading into

Farther from you everyday
And I think about you dying years from now
Never having known who you are
Farther from you everyday
All I think about is waiting
And all the people we are fading into
Farther from you everyday
And I think about you dying years from now
Never having known who you are
Farther from you everyday
All I think about is waiting
And all the people we are fading into
