Words

Ronan Keating

Smile, an ever lasting smile
A smile can bring you near to me
Don't ever let me find you gone
'Cause that would bring a tear to meThis world has lost its glory
Let's start a brand new story now, my love
You think that I don't even mean
A single word I sayIt's only words
And words are all I have
To take your heart awayTalk in everlasting words
And dedicate them all to me
And I will give you all my life
I'm hear if you should call to meYou think that I don't even mean
A single word I sayIt's only words
And words are all I have
To take your heart awayIt's only words
And words are all I have
To take your heart awayThis world has lost its glory
Let's start a brand new story now, my love
You think that I don't even mean
A single word I sayIt's only words
And words are all I have
To take your heart awayIt's only words
And words are all I have
To take your heart away
