Forever And Ever

Demis Roussos

Ever and ever, forever and ever you'll be the one
That shines in me like the morning sun.
Ever and ever, forever and ever you'll be my spring,
My rainbow's end and the song I sing.Take me far beyond imagination.
You're my dream come true, my consolation.Ever and ever, forever and ever you'll be my dream,
My symphony, my own lover's theme.
Ever and ever, forever and ever destiny
Will follow you eternally.Take me far beyond imagination.
You're my dream come true, my consolation.Ever and ever, forever and ever you'll be the one
That shines in me like the morning sun.
Ever and ever, forever and ever my destiny
Will follow you eternally
