

# Flower Tattoo

## Down By Law

Do ya wanna go for a walk?  
You can hold my hand, we can laugh and talk  
You can lead the way which way you wanna go  
Tell me all the things, I really wanna know  
Hair is gold and her eyes are blue  
I'm in love with a girl with a flower tattoo  
With a T-shirt sneakers, some faded blue jeans  
A pocket in the back, ripped from the seams  
She really doesn't really care what she hear or see  
What they think about her, what they think about me  
Hair is gold and her eyes are blue  
I'm in love with a girl with a flower tattoo  
And if I wrote the perfect song  
You know I'd name it after you
