

Waiting (Live At the Living Room)

Norah Jones

Hush now, watch the stars fall
Into a fire wall
I am waiting here
Waiting for you to come home Sinking embers glow
Melting icy snow
And I am waiting here
Waiting for you to come home And I watch them burn
When will I ever learn?
If I wait it doesn't mean
You will return And I watch them burn
When will I ever learn?
If I wait it doesn't mean
You will return Now all the stars have gone
Faded into cracks of dawn
And I'm still waiting here
Waiting for you to come home I am waiting here
Waiting for you to come home
