

# Time's Up

## Aynsley Lister

I spend half of each day just eyeing the clock  
And dream of all the things I'd like to do  
And nothing ever changes from day to day -  
I've just been guarding this desk for you.

It's a mayday  
it's a mayday  
there must be something else I could do -

It's a mayday  
it's a mayday

instead of guarding this desk for Time's up! You've been wishing your life away.

Time's up! You've been wishing your life away.

I'm getting very tired of waiting for the weekend  
Then there's nothing when it comes around.

I need a little more excitement  
give me some adventure -  
I don't know you've held me this long.

It's a mayday  
it's a mayday  
time just marches on.

It's a mayday  
it's a mayday

I don't know how you've held me this long.  
Time's up! You've been wishing your life away. . . .

Chances are chances and I know I've had a few  
But at the time it just seemed wrong  
Now I'm sitting here wondering  
waiting watching out his window  
And I'm sure my day will come.

It's a mayday  
it's a mayday  
time just marches on -  
It's a mayday  
it's a mayday  
but I'm sure my day will come.

Time's up! You've been wishing your life away. . . .  
Time's up! You've been wishing your life away. . . .
