

# Melody Fair

## Bee Gees

Who is the girl with the crying face  
Looking at millions of signs?  
She knows that life is a running race  
Her face shouldn't show any line  
Melody Fair, won't you comb your hair?  
You can be beautiful too  
Melody Fair, remember you're only a woman  
Melody Fair, remember you're only a girl  
Who is the girl at the window pane  
Watching the rain falling down?  
Melody, life isn't like the rain  
It's just like a merry go round  
Melody Fair, won't you comb your hair?  
You can be beautiful too  
Melody Fair, remember you're only a woman  
Melody Fair, remember you're only a girl  
Who is the girl with the crying face  
Looking at millions of signs?  
She knows that life is a running race  
Her face shouldn't show any lines  
Melody Fair, won't you comb your hair?  
You can be beautiful too, too, too, too, too  
Melody Fair, remember you're only a woman  
Melody Fair, remember you're only a girl
