

Movin' On

Chris Rupp

VERSE

I see your worry, afraid of what's next
You hope there's a plan, how could this be best?
Don't fear for me, I'm not afraid of the rain
Just getting things ready til were together again

CHORUS

Im moving on, to a road less travelled
I'm moving on, to a place where I can rest
Dont worry for me it's time to go, being called home to place I know
Now I'm movin on

Verse

My life has been special, more precious than words
Good times and bad times, the love and the hurt
I'm proud of who I am and the path I have left
I have no regrets, its been worth it in the end

CHORUS

Im moving on, to a road less travelled
I'm moving on, to a place I can rest
Dont worry for me its time to go, being called home to a place I know
So now I'm moving on

VERSE

My only wish that you live your live full, dont mourn for me go celebrate it all
I had more than anyone, could ever ask for so thanks for the memories I'll be waiting for more

Chorus

I'm moving on, to a road less travelled
I'm moving on, to a place I can rest
Dont worry for me its time to go, being called home to a place I know
So now I'm moving on
so now Im moving on
