

# Suddenly

Billy Ocean

I used to think that love was just a fairy tale  
Until that first hello, until that first smile  
But if I had to do it all again, I wouldn't change a thing  
'Cause this love is everlasting  
Suddenly, life has new meaning to me  
There's beauty up above  
And things we never take notice of  
You wake up and suddenly, you're in love  
Girl, you're everything a man could want and more  
One thousand words are not enough to say what I feel inside  
Holding hands as we walk along the shore  
Never felt like this before, now you're all I'm living for  
Suddenly, life has new meaning to me  
There's beauty up above  
And things we never take notice of  
You wake up and suddenly, you're in love  
Each day I pray  
This love affair would last forever  
Suddenly, life has new meaning to me  
There's beauty up above  
Ad things we never take notice of  
You wake up, suddenly, you're in love  
There's beauty up above  
Things we never take notice of  
You wake up and suddenly, you're in love
