## Mayday Parade

Love and hate get it wrong  
She cut me right back down to size  
Sleep the day, let it fade  
Who was there to take your place

No one knows, never will  
Mostly me but mostly you  
What do you say, do you do  
When it all comes down

'Cause I don't want to come back down  
From this cloud  
It's taken me all this time to find out  
What I need, yeah

I don't want to come back down  
From this cloud  
It's taken me all this, all this time

There is no blame, only shame  
When you beg, you just complain  
The more I come, the more I try  
All police are paranoid

So am I, so's the future  
So are you, be a creature  
What do you say, do you do  
When it all comes down

'Cause I don't want to come back down  
From this cloud  
It's taken me all this time to find out  
What I need yeah, yeah, yeah

I don't want to come back down  
From this cloud  
It's taken me all this, all this time

Shoot up, shoot up, shoot up

You're high

Love and hate get it wrong  
She cut me right down to size  
Sleep the day let it fade  
Who was there to take your place

No one knows, never will  
Mostly me but mostly you  
What do you say, do ya do  
When it all comes down

'Cause I don't want to come back down  
From this cloud  
It's taken me all this time to find out  
What I need yeah, yeah, yeah

I don't want to come back down  
From this cloud  
It's taken me all this, all this time

Why did you?  
Why did you?  
Why did you?

Why did you?  
Why did you?  
Why did you?

Why did you?  
Why did you?  
Why did you?

Comedown

I don't want to come back down  
From this cloud

This cloud, this cloud  
This cloud, this cloud  
This cloud, this cloud  
This cloud, this cloud
