

# Bad (feat. Vassy)

David Guetta

I say why does it feel so good?  
So good to be bad  
Getting what I want, boy  
Why does that make you so mad?

You see, why does it feel so good?  
So good to be bad  
Cause if it's struggle that you're looking for  
Oh baby, here I am

Oh baby, here I am

I say so why does it feel so good?  
So good to be bad

I say why does it feel so good?  
So good to be bad  
Getting what I want, boy  
Why does that make you so mad?

You see, why does it feel so good?  
So good to be bad  
Cause if it's struggle that you're looking for  
Oh baby, here I am

Oh baby, here I am

You see, why does it feel so good?
