

# Lost

## Morrissey

Jet trails in the sky  
Leave one word behind  
A hand bangs into sand a name  
And we all understandEverybody's lost  
But they're pretending they're not  
Lost, oh, lostJet trails in the sky  
Leave one thought behind  
A hand bangs into sand a name  
And we all understandEverybody's lost  
But they're pretending they're not  
Lost, oh, lostSo if I see you  
And I tell you  
How I've watched you  
I'm just lostSo if I see you  
And I tell you  
I've watched you  
Don't make fun of me later  
'Cause I'm just lostIf I see you  
And I tell you  
How I've watched you  
Don't make fun of me later  
'Cause I'm just lostIf I see you  
And I tell you  
How I've watched you  
Don't make fun of me later  
'Cause I'm just lostLost, lost, lost  
Lost, lost
