All We Need

Janet Devlin

Come sing, sing your heart
Come sing before the One who's worthy
The One who is worthy
Lift your hands, lift your hands up high
Let the love of Jesus come and heal you
Let Jesus heal you
For we were made for more
Yeah, we were made for more
We are made for more
We are Yours, we are Yours
You are all our hearts are beating for
And You will always be
We don't want what the world gives anymore
You are all we need
Come, let your soul be free
Come lay your burdens down before Him
Come love and adore Him
Breathe deep the breath of God
Fill your mouth with His praises now and worship
Everyone worship
For we were made for more
Yeah, we were made for more
We are made for more
We are Yours, we are Yours
You are all our hearts are beating for
And You will always be
We don't want what the world gives anymore
You are all we need
You are all our hearts are beating for
And You will always be
There's nothing of earth we treasure more
For You are all we need
Come on, sing your song, you've got to sing it out
Come on, sing your song, you've got to sing it out
Come on, sing your song, you've got to sing it out
Come on, sing your song
(Sing it out)
Come on, sing your song, you've got to sing it out
Come on, sing your song, come on sing it out

Come on, lift your hands, come on dance and shout
Come on, sing your song, sing it out
Come on, sing your song, come on and sing it out
Come on, sing your song, come on and sing it out
Come on, sing your song, come on and sing it out
Come on, sing your song, you've got to sing it out
You are all our hearts are beating for
And You will always be
We don't want what the world gives anymore
You are all we need
You are all our hearts are beating for
And You will always be
There's nothing of earth we treasure more
For You are all we need
All we need, sing, sing it out
Come on, sing your song, sing, sing it out
Come on, sing your song
Come on, sing your song, your song
So great come on, come on
We were made for more
So we'll sing Your song
Lift your hands, lift your hands
