

One Foot In, One Foot Out

Ruth

And I don't want to talk to anyone but You
And tell You what I feel and the things I'm going through
And I wanna be blind to the things that drag me down
And I wanna be blind, I don't wanna sell out Cause You are more than I could ever pretend
To know the, the first thing about love and what it means
And I will hold on to Your words forever
To know You, to see You, to touch You
You're all I want, You're all I need And I can't ride this fence, it's tearing me apart
One foot in, one foot out, I can't keep this straight now
And I wanna be blind to the things that drag me down
And I wanna be blind, I don't wanna sell out Cause You are more than I could ever pretend
To know the, the first thing about love and what it means
And I will hold on to Your words forever
To know You, to see You, to touch You
You're all I want and You're all I need I'll do anything You want me to, I promise
Tell you what You wanna hear
If You just let me stay here with You forever
It's where I wanna be Wanna know You, wanna see You
I can feel it when I touch You
Wanna know You, wanna see You
I can feel it when I touch You
When I touch You, You, You
