Big City

Kingswood

I bought a ticket on a plane.
Was hoping things would be the same.
Tried to turn our love around.
I never looked in lost and found.Timing.
I don't know when I'll see this town or place again...
Timing.
I guess I'll see you now and then...Waiting, waiting, waiting so long.
Hey, big city writes another song.
You took my love and you took it all.
How can you be so big and yet you feel so small,
How can you be so big and yet you feel so small?Another ticket, another plane.
But this one down memory lane.
When times were sweet and times were good.
We both knew better, knew we shouldn't.Timing.
I don't know when I'll get to wake up next to you...
Timing.
Whenever it is will have to do...Waiting, waiting, waiting so long.
Hey, big city writes another song.
You took my love and you took it all.
How can you be so big and yet you feel so small,
How can you be so big and yet you feel so small?Timing.
I don't know when I'll get to wake up next to you...
Timing.
Whenever it is will have to do...Waiting, waiting, waiting so long.
Hey, big city writes another song.
You took my love and you took it all.
How can you be so big and yet you feel so small,
How can you be so big and yet you feel so small?How can you be so big and yet you feel so small,
How can you be so big and yet you feel so small?
