

# Cheatin' Is

Millie Jackson

After that, she called up here talkin' about she gonna find her another man.  
I think she got kinda upset 'cause I didn't agree with her.  
But hell, I just told her what was on her mind.  
MAN ON PHONE: You know I knew, baby, I can't imagine what you told her.  
Well, I just had to tell her the way I felt about it. Cheatin' is a thing that starts when you bring two lonely people  
face to face with a brand new kid.  
She blames him. He blames her,  
But neither one isn't quite sure what she really is.  
And all of the time in the back of their minds,  
You know they're gonna lie about where they've been.  
Cheatin' is a thing that'll take a little rain  
And bringing in the pieces that'll never go together again. Cheatin' is a part of loving that starts when true love  
isn't what lovers were looking for.  
A stranger here, a stranger there.  
You turn around and swear that you'll never go back for more.  
And lying at night when you're holding him tight,  
Something in a cheater's heart just has to learn.  
Cheatin' is a thing that's guaranteed to bring  
Two unhappy lovers to the point of no return. The worst is she leaves two sad little kids  
Hanging in the middle while mama and daddy choose.  
Cheatin' is a game where nobody wins  
And the ones not big enough to play are the ones to lose.  
Cheatin' is a game where nobody wins  
And the ones not big enough to play are the ones to lose.  
Mmmm, mmmm, mmmm, mmmm, mmmm, mmmm, mmmm, mmmmmmm.  
Mmmm, mmmm, mmmm, mmmm, mmmm, mmmmmmm.
