

# Error - Single Mix

## Madeline Juno

So naked, I'm walking  
To find what's left of me  
Through mirrors through shadows  
Across my destinyNothing's right, here tonight  
All the angels left me  
The lullabies turned to lies  
Believe meNo you don't wanna know this kind of love  
No you don't wanna know this kind of love  
And you don't wanna know the night you realize  
(The error, error, error) in this kind of love  
(Error, error, error) in this kind of love  
(Error, error, error) in this kind of love  
(Error, error, error) in this kind of loveSomebody come tell me  
Somebody hold my hand  
I'm down here, I'm broken  
I try to understandThere nothing's right, here tonight  
All the angels left me  
I try to find a little light  
To guide meAnd you don't wanna know this kind of love  
No you don't wanna know this kind of love  
And you don't wanna know the night you realize  
(The error, error, error) in this kind of love  
(Error, error, error) in this kind of love  
(Error, error, error) in this kind of love  
(Error, error, error) in this kind of loveAll the the tears, all the smiles that we'd never shared  
And I know, I said "no, I can't take you there"  
Tell me why, tell me why I say everywhere, everywhere  
(Error, error, error) between you and I  
(Error, error, error) here tonight  
(Error, error, error) we're not a life (Error, error, error)(Error, error, error) between you and I  
(Error, error, error) here tonight  
(Error, error, error) tell me why (Error, error, error)  
Tell me why nothing feels alright(Error, error, error) in this kind of love  
(Error, error, error) in this kind of love  
(Error, error, error) in this kind of love  
(Error, error, error) in this kind of love
