Crawl up and Die

Stray Cats

Well, I don't know what's the matter
Oh, what's the matter with me
Well, I don't know what's the matter
Oh, what's the matter with me
Well, I can't control my legs now
And I can't hardly seeWell, I'm smoking past the filter
And it's burning my lips
Well, I'm smoking past the filter
And it's burning my lips
My body is a shakin'
Down to my finger tipsOh, please let me stay here
Well, let me stay here tonight
C'mon baby let me stay here
Let me stay here tonight
I want to crawl baby crawl up
I want to crawl up and die
Ohh!Well, I'm searchin' for the poison
That's gotta keep me alive
Well, I'm searchin' for the poison
That's gotta keep me alive
And if I don't find that poison
I'm gonna crawl up and dieWell, I can't control this feeling
That I'm having inside
Well, I can't control this feeling
That I'm having inside
I want to crawl baby crawl up
I want to crawl up and dieOh, please let me stay here
Well, let me stay here tonight
C'mon baby let me stay here
Let me stay here tonight
I want to crawl baby crawl up
I want to crawl up and dieOh, please let me stay here
Well, let me stay here tonight
C'mon baby let me stay here
Let me stay here tonight
I want to crawl baby crawl up
I want to crawl up and die and die and die
