You Are My Heart

Rex Williams

[Chorus]
Little darling, you are my heart
Little darling, you are my heart
Little darling, you are my heart
Little darling, you are my heart

[Verse 1]
I feel so lonesome, oh what a grateful one
[?] is just like a silent river
I go with you, to wherever you go
I can't get over you, please be my heart

My little darling, you surely be my heart
Be my comforter all day and night
Don't let me down, don't let me cry
You are my sugar, sugar everyday

[Chorus]

[Instrumental]

[Chorus]
