Count to 10

Imani Coppola

You`re not who I want, but you will do for the night
Your face is a mess, but your ass looks alight
And I must confess, your looks are not the best
So I`ll have to recommend that you stay mostly dressedEverybody need a little kissin` sometimes
So come on baby kiss me where the sun don`t shine
I don`t want to look, no, no I can't watch
So ease on down and put your hand right in myI am tired of seeing your face
Have some place and deal with race
Why don`t you just turn out the light
Help me get through this nightI`m gonna count to 10, I want you out of my life
Just say when, I want you out of my life
1-2-3-4-5-6-7--8-9-10
You out on your ass again,
lonely little heart has to pray for a friend
1-2-3-4-5-6-7--8-9-10
Good luck when your out on your own
Here`s a little treat, little doggie boneI am the girl of your dreams and you`re the man-of-the-hour
And my love for you ran out its like a morning flower
It will slowly wilt away if not gone by midday
So hurry up and get it up and get busyI am tired of seeing your face
Have some place and deal with race
Why don`t you just turn out the light
Help me get through this nightI`m gonna count to 10, I want you out of my life
Just say when, I want you out of my life
1-2-3-4-5-6-7--8-9-10
You out on your ass again
Lonely little heart has to pray for a friend
1-2-3-4-5-6-7--8-9-10
Good luck when your out on your own
Here`s a little treat, little doggie boneI`m gonna count to 10, I want you out of my life
Just say when, I want you out of my life
1-2-3-4-5-6-7--8-9-10
You out on your ass again
Lonely little heart has to pray for a friend
1-2-3-4-5-6-7--8-9-10
Good luck when your out on your own
Here`s a little treat, little doggie boneYou know the rest
