# Feel the Same Way

## Saigon Kick

Saw the fire light
Had the same dream tonight
Felt the fears of the endless light
In the middle in the morning light
In the middle of the morning lightWe have disease gone crazy
Thoughts of revolution hazy
Computer days are lazy
I'm on the side of the man who's wiser
I'm on the side of the gun that firesFeel the same way
Feel the same way
For the rest of our livesFeel the same way
Feel the same way
For the rest of our livesLost a life tonight
Caused a little fight tonight
Stole the dream of right
Call me a man with a view that's wild
Call me a man with the mind like a childCan you feel the power
Watch them build the biggest tower
Cry a little shower
All in site of a race that's leaving
All for the right of the man you're killingFeel the same way
Feel the same way
For the rest of our livesFeel the same way
Feel the same way
For the rest of our livesSaw the fire light
Had the same dream tonight
Felt the fears of the endless light
In the middle in the morning light
In the middle of the morning lightWe have disease gone crazy
Thoughts of revolution hazy
Computer days are lazy
I'm on the side of the man who's wiser
I'm on the side of the gun that firesFeel the same way
Feel the same way
For the rest of our livesFeel the same way
Feel the same way
For the rest of our livesFeel the same way
Feel the same way
For the rest of our livesFeel the same way

Feel the same way
For the rest of our lives
