Shadow Of A Man

Bedouin Soundclash

don't look at me with sad eyes, tonight
can you show me one more smile
and let the room shine through the night
until the bed is claimed by daylightI saw a man standing on that hill
walking around like he's got no one
will I end up like him, all alone?
girl, when you go I've got no soulwhere has your soul gone to?
your shadow is coming through
where has my soul gone to?
I'm a shadow of a man
yeahwalking down these back streets
looking a place where we will meet
to know that I can't ever leave, no
until my foot print wash to the seaI saw a man standing on that hill
walking around like he's got no one
will I end up like him, all alone?
girl, when you go I've got no soulwhere has your soul gone to?
your shadow is coming through
where has my soul gone to?
I'm a shadow of a man
yeahin so far as I know
in so far as it goes
I will be home in too long
I will be home in too longI saw a man standing on that hill
walking around like he's got no one
will I end up like him, all alone?
girl, when you go I've got no soulwhere has your soul gone to?
your shadow is coming through
where has my soul gone to?
I'm a shadow of a man
where has my soul gone to?
where has my soul gone to?
where has my soul gone to?
I'm a shadow of a man
yeah
