'Trash'

The Whip

I wanna, I wanna
I wanna, I wanna
I wanna, I wanna
I wanna, I wanna

I wanna be trash
I wanna be trash
I wanna be trash
I wanna be trash

And I have become the trigger for your gun
And I have become the trigger for your gun
And I have become the trigger for your gun
And I have become the trigger for your gun

I wanna, I wanna
I wanna, I wanna
I wanna, I wanna
I wanna, I wanna

I wanna be trash
I wanna be trash
I wanna be trash
I wanna be trash

And I have become the trigger for your gun
And I have become the trigger for your gun
And I have become the trigger for your gun
And I have become the trigger for your gun

I wanna, I wanna
I wanna, I wanna
I wanna

I wanna be trash
I wanna be trash
I wanna be trash
I wanna be trash

And I have become the trigger for your gun

And I have become the trigger for your gun
And I have become the trigger for your gun
And I have become the trigger for your gun

I wanna be trash
I wanna be trash
I wanna be trash
I wanna be trash
