

# My Story

## Black Violin

A little girl from North Island  
Thinking back when it all started  
I always had big dreams  
Wanna be a superstar  
Said I was touched by God  
Now I can tell the world all about  
My life, my heart  
My story, my everything  
To all of you is all of me  
My story, my everything  
My life, my heart  
My story, my everything  
To all of you is all of me  
My story, my everything  
My life, my heart, my story  
The answer to the calling  
Now the whole world can see  
They will know about me  
Shout it from the highest mountains  
Into the valley lows  
In each and everybody  
There is a Lil' Mo  
They gotta know about me  
They gotta feel the love  
I gotta show 'em all  
From the biggest to the small  
From the bottom of my heart  
To the depths of my soul  
How I made it through the fire  
And came out pure as gold  
My life, my heart  
My story, my everything  
To all of you is all of me  
My story, my everything  
My life, my heart  
My story, my everything  
To all of you is all of me  
My story, my everything  
I'm giving you me, everything of me

My whole story I hope that you will see  
The life I'm living, my heart I'm giving  
Myself into you everything of Mo  
I'm giving you me, everything of me  
My full story I hope that you will see  
From the bottom of my heart to the depths of my soul  
All I have to go through the fire to come out pure as gold  
My life, my heart  
My story, my everything  
To all of you is all of me  
My story, my everything
