Make It Shine

Victoria Justice

(1st verse)
Here I am, once again
Feeling lost but now and then
I breath it in to let it go
And you don't know
where you are now
Or what it would come to
if only somebody could hear
When you figure out how
your lost in the moment
you disappear
(Chorus)
You don't have to be afraid to put your dream in action
you're never gonna fade you'll be the main attraction
Not a fantasy
Just remember me
when it turns out right
'cause you know that if you live in your imagination
tomorrow you'll be everybody's fascination
In my victory
Just remember me
when i make it shine!
(2nd verse)
Reaching high
feeling low
I'm holding on but letting go
I like to shine
I'll shine for you
And it's time to show the world how
it's a little bit closer
as long as I'm ready to go
All we have is right now

as long as you feel it inside you know ....
(Chorus)
You don't have to be afraid to put your dream in action
your never gonna fade you'll be the main attraction
not a fantasy
just remember me

when it turns out right
'cuz you know that if you live in your imagination
tomorrow you'll be everybody's fascination
in my victory
just remember me
when I make it shine!
(Bridge)
Everyone can tell you how it's all been said and done
That harder times will change your mind and make you wanna run
But you want it
And you need it
Like you need to breath the air
If they doubt you
Just believe it
That's enough to get you there
(Chorus)
You don't have to be afraid to put your dream in action
your never gonna fade you'll be the main attraction
not a fantasy
just remember me
when it turns out right
'cuz you know that if you live in your imagination
tomorrow you'll be everybody's fascination
in my victory
just remember me
when I make it SHINE!
