

# Inside out(Brian Adams)

## Bryan Adams

The biggest lie you ever told  
Your deepest fear 'bout growin' old  
The longest night you ever spent,  
The angriest letter you never sent  
The boy you swore you'd never leave  
The one you kissed on new years's eve  
The sweetest dream you had last night,  
Your darkest hour, your hardest fight I wanna know you like I know myself  
I'm waitin' for you there ain't no one else  
Talk to me baby scream and shout  
I want to know you inside out  
I wanna dig down deep I wanna lose some sleep  
I wanna scream and shout I wanna know you inside out  
I wanna take my time I wanna know your mind  
Ya know there ain't no doubt I wanna know you inside out The saddest song you ever heard the most you said  
with just one word  
The loneliest prayer you ever prayed the truest vow you ever made  
What makes you laugh, what makes you cry what makes you mad, what gets you by  
You highest height, your lowest low these things I want to know I wanna know you, like I know myself  
I'm waitin' for you, there ain't no one else  
Talk to me baby, scream and shout  
I want to know you, inside out  
I wanna dig down deep, I wanna lose some sleep  
I wanna scream and shout, I wanna know you inside out  
I wanna take my time, I wanna know your mind  
Ya know there ain't no doubt, I wanna know you inside out  
I wanna know your soul, I wanna lose control  
Come on n' let it out, I wanna know you inside out  
So gotta dig down deep, I wanna lose some sleep  
I wanna scream and shout, I wanna know you inside out  
I wanna know you inside out  
I wanna know you inside out  
Tell me everything, baby  
Yeah, I wanna know you inside out  
Tell me everything, yeah yeah  
I wanna know you inside out  
Yeah, I wanna know you inside out  
Tell me everything

I wanna know you inside out
