You're the Fool

Neuroticfish

I can see the wall
And I can see you running
I can feel the impact
It's sad but trueMaybe you will see
The trees but not the forest
The cover of a book
But no page at allYou try to climb a mountain
I'm standing on your grave
You will try to reach me
Will I still be safe?You try to keep your secrets
But I see you through!
You always try to blame me
But you're the foolMaybe you will think
I like to play these games
But I can not imagine
A harder job to doYou are one of those
Always blame the others
Facing circumstances
You never understand
