â™¡Neon Lightsâ™¡

Demi Lovato

Baby when they look up at the sky
We'll be shooting stars just passing by
You'll be coming home with me tonight
We'll be burning up like neon lightsBe still my heart cause it's freaking out
It's freaking out, right now
Shining like stars cause we're beautiful
We're beautiful, right now
You're all I see in all these places
You're all I see in all these faces
So let's pretend we're running out of time, of timeBaby when they look up at the sky
We'll be shooting stars just passing by
You'll be coming home with me tonight
And we'll be burning up like neon lightsBaby when they look up at the sky
We'll be shooting stars just passing by
You'll be coming home with me tonight
And we'll be burning up like neon lightsNeon lights
Neon lights
Neon lights
Like neon lights, ohhhh!
Like neon lights, ohhhh!
Be still my heart cause it's freaking out
It's freaking out, right now
Shining like stars cause we're beautiful
We're beautiful, right now
You're all I see in all these places
You're all I see in all these faces
So let's pretend we're running out of time, of timeBaby when they look up at the sky
We'll be shooting stars just passing by
You'll be coming home with me tonight
And we'll be burning up like neon lightsBaby when they look up at the sky
We'll be shooting stars just passing by
You'll be coming home with me tonight
And we'll be burning up like neon lightsNeon lights
Neon lights
Neon lights
Like neon lights, ohhhh!
Like neon lights, ohhhh!Shining like stars 'cause we're beautiful, we're beautiful right now.
You're all I see in all these places
You're all I see in all these faces

So let's pretend we're running out of time, of timeLike neon lights, ohhhh!
Like neon lights, ohhhh!Be still my heart 'cause it's freaking out
